Dedicated To
Mary Mulgrew

Mary Mulgrew's dedication and service to the MMA community will never be forgotten. During her 26 years of tenure, she made an enormous and lasting impact, touching many lives as she helped cadets find their dream jobs through the office of Career Services. In addition to her enthusiastic and tireless work with students, Mary planned and coordinated each career fair event which grew from 30 employers in 2005 to well over 100! She went the "extra" no matter who she was interacting with! Her joy was apparent as she chatted with our many recruiters, alumni, and students on the day of the fair. Her impact will not be forgotten, nor will her many kindnesses.

Mary lost her battle to cancer in fall 2021.We miss her as a colleague, friend, and student supporter.

Sincerely,

RADM McDonald, MMA '85

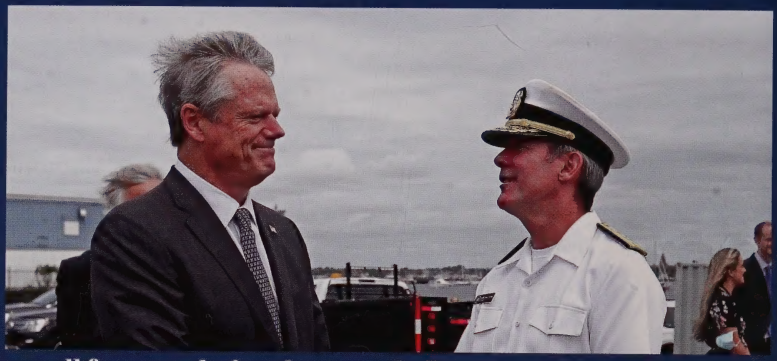
Letter from the Admiral



Class of 2022,

I write to say congratulations to you all for completing the very challenging program known as Massachusetts Maritime Academy. You have survived freshman orientation, morning formation, daily room inspections, your challenging academic program, and your required experiential education co-curricular program. By doing so, you join some 10,000 other Bucs who have chosen the path less traveled and built, what I hope you see, as the best version of yourself.

That alone is incredibly remarkable. But you have done more, so much more. You stood at morning formation on 13 March 2020 as we fought to avoid this encroaching pandemic and you found a way to persist as we emptied the dorms, cancelled in-person learning and shut down our regiment of cadets.You battled back the following fall as we again flipped to on-line learning for all non-lab majors and the remainder of you lived in singles with masks on indoors 24/7. You found a way to hang in there as sea term was delayed until the spring of 2021 and we started the spring semester on a February self-imposed lockdown. For those pursuing their license, you endured our first-ever "cruise to nowhere".For the non-license majors, you jumped through hoops to get your required co-ops done, somehow, someway. And, yes, we began the fall 2021 semester in a normal fashion but were again forced to don masks for all indoor activities as COVID surged after Thanksgiving. Sea Term again had its challenges as over 100 shipmates tested positive and the cadet leadership had to build a new onboarding program with no lead time. Lastly, and thankfully, you got to enjoy what I hope was one of your most memorable semesters with your shipmates as we survived the spring of 2022 in a relatively normal fashion.

There is no doubt that you have earned your degree ... and you have earned your position as one of the most resilient, persistent, and determined classes in our 130 year history.Congratulations on a job very well done!

I wish you all the best in your careers and in life.

Take good care, come back and visit ... and GO BUCS!

Letter from the Regimental Commander

Class of 2022,

In August of 2018, we arrived here in Buzzard's Bay with one goal in mind, to become a graduate of the Massachusetts Maritime Academy. Why? Because the Massachusetts Maritime Academy is known across the globe and is synonymous with excellence. We learned quickly exactly why that is the case. The early mornings, the late nights, and the rigors of the regiment and the classroom, all taught us how to flourish in the face of adversity. As we finally got our footing and began to find success at MMA, a global pandemic swept through, changing the world as we knew it. These circumstances were less than ideal, depriving us of valuable experiences on campus and once-in-a-lifetime opportunities to travel the world. Given those circumstances, only the class of 2022 could come out on the other side better than ever. Toady, you should all feel immense pride in what you have accomplished here. From orientation to graduation, we have all grown more than we could have ever imagined. We embodied the values of the academy to face unprecedented adversity and come back as a team. These experiences only made us more disciplined, and more adaptable than ever before. I have no doubt that the class of 2022 will take the workforce, military, or society by storm. It has been the privilege of a lifetime to represent this group as your Regimental Commander.

In closing, I must thank you for the countless lessons, memories, and friendships that will last forever. As you take the foundation that we laid here and thrive in all of your future endeavors, becoming yet another MMA success story, don't forget to look back in the rearview at the elation of our success and the discomfort of adversity. I will forever be grateful to call you all my shipmates.

Go Bucs!

Student Government Association

Class of 2022,

I am extremely proud to have had the opportunity and privilege of serving as your Student Government Association President. Over the past four years here at Mass Maritime I have managed many events and many catastrophes, some of those being one in the same. I have seen the way that we all connect through joint experiences, and whatever involvement the SGA has brought to those experiences, I am extraordinarily grateful for. Whether it be missing study hours freshman year, embarrassing our peers at a magic show, bringing notoriously small grilled cheese servings to campus, or even just having an outlet to step away from the regiment, I hope that the SGA has provided you with the same happiness it has given me. It has been a pleasure to dedicate so much time and energy to this campus, because I have been able to see the benefit that it has given us first hand. Thank you for your constant feedback, whether or not it was positive is not necessary to note. Thank you for your patience, consideration, participation, and for your time. Getting to know our class through this opportunity has been truly an amazing experience. Over our time together, I have had the benefit of working closely with so many people that I would never have expected to interact with. Small conversations and contributions have allowed me to learn so much from each and every one of you. We are a resilient class. We have experienced more challenges than many groups before us, and yet here we are. Graduating from this Academy means a lot of things to me. Mostly, we made it. I would never have expected to be where I am at this school today. I would never have expected to grow so close to such an interesting group of people. Thank you for everything you have offered me, I look forward to seeing where life takes all of us after graduation. Keep moving forward. Congratulations everyone, we did it.

Sincerely,
Sophia Blakely
Student Government Association President

SHIPMATE THANK YOU SHIPMATE

The memories cadet candidates make with each other will not only be referenced amongst themselves numerous times throughout their time at the academy but will last them a lifetime.

Let orientation begin!

The red taggers of 2025 arrived as cadet candidates to Buzzards Bay on August 14th to begin their two week long indoctrination camp . The academy's long lasting orientation program begins on August 9th with the Cadre arriving for Pre-Orientation. The Cadet Candidates arrive on August 14th. Throughout the two weeks C/Cs will participate in Team building exercises and military-style marching drills accompanied by physical and mental conditioning.

Halloween MOFO

Every year the SGA allows a free dress-dow day on the week of Halloween in which everyone is encouraged to dress up! This usually entails each companies freshman dressing up together to match with their senior staff.

The Stone Age
The Reggies this year decided to go back in time and went as the Flintstones. Notable highlights included RC McAuliffe as Fred, 1/C Smialek as Pebbles, and 1/C Blakely as Dino.

LEFT: 7th Co Prison break! Freshman had their B-suits tied to their waist and senior staff were the guards. At the sound of the cannon freshman attempted a prison break, youngie shuffling their way to break out of canalcatraz!
RIGHT: 2nd Co went hip, choosing to dress up as frat bros.

"REGIMENT, YABBA DABBA DOOOOOO" - Regimental Commander McAuliffe

Spooky Halloween-Fo

On the morning of this spooky mofo the overall atmosphere seemed cheerful. The regiment couldn't help but chuckle at the Reggie Wedge's choice of costume this year.

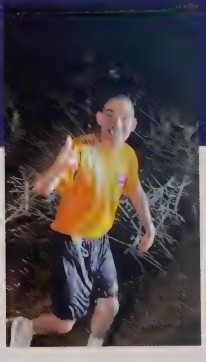
Who you gonna call? // 6th Co is the company to call if you ever encounter a ghost on campus. This year it appeared as if all 6th Co Freshman turned into ghosts overnight!

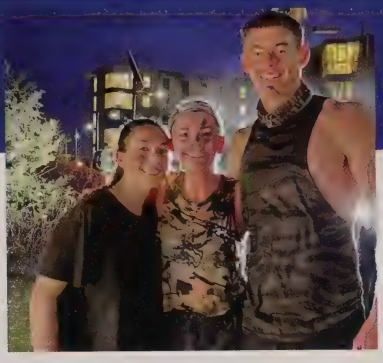
The Gang's All Here! // 2nd Battalion Senior Staff went all in on the Scooby Snacks. Notable highlight being Scooby as the guide on!

SUH DUDE // 2nd Co staff kept it real, going for a frat bro aesthetic.

THROWBACK

Class of 2022, take a look at your orientation!





Twas the night before viking bath and just as the Freshman were sent to bed at 22:00, a fire alarm went off shortly after. An actual fire on campus pulled every cadet off their racks to stand in the freezing cold outside. The fire was put out promptly by cadets and once the firefighters arrived, everything was deemed fine to go back to bed. For the Freshman that were already on edge in anticipation of the viking bath, the fire would certainly make this one of the more warm viking baths ever.

Intramurals

Each semester, companies battle it out through various athletic competitions to find out which company has the most athletic skill! The winning company receives the award of Commandants Cup and holds that title until the next company wins.

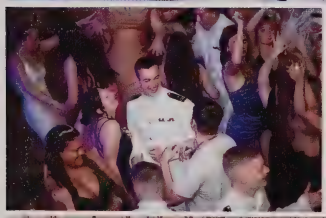
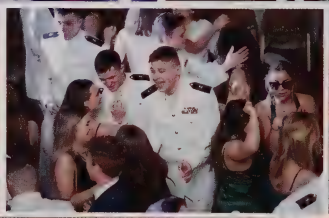
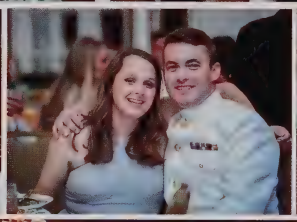
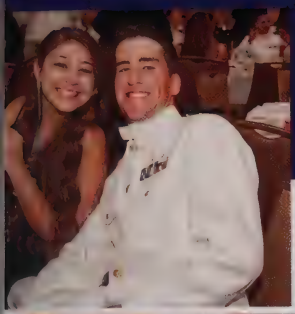
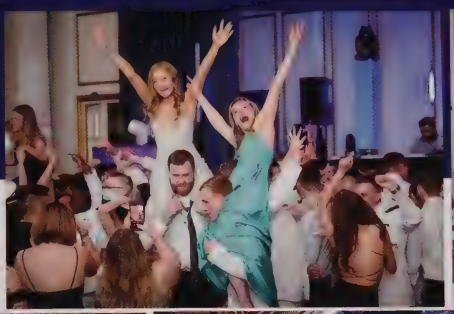
The traditional Ring Dance for the junior class did take place this year! However, some of the senior class double dipped their rings...

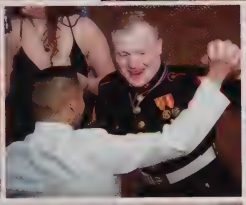


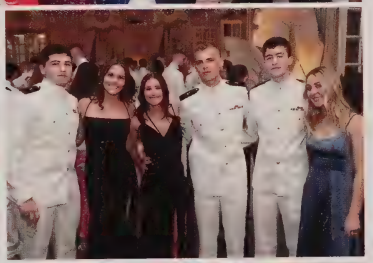


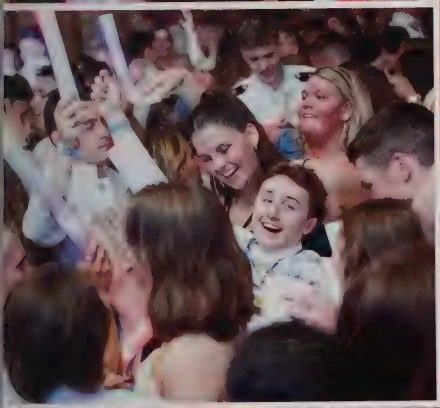


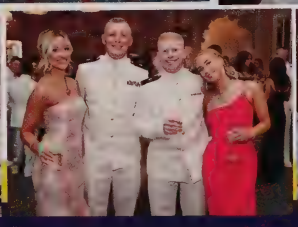












Change of Command

Change of Command Ceremony is both the symbolic and physical transfer of leadership responsibilities from the graduating class to the second class cadets, who will assume their new roles in preparation for orientation and their senior year.

Commissioning

Congratulations to this year's newly commissioned officers! Cadets that participated in the ROTC, Semper Fi Society, and Navy SSMP programs were trained in leadership labs, field training, and physical training to become the leaders they are known as today! This ceremony honors their hard work and achievements as higher ranks in the armed forces.

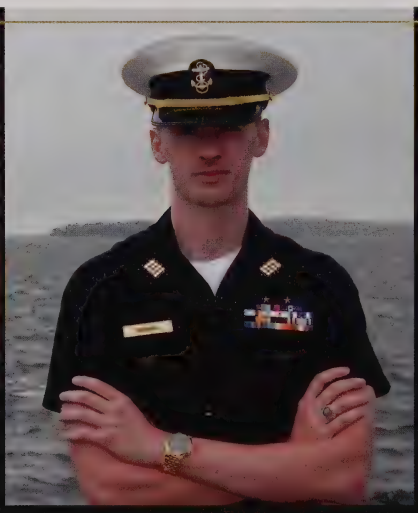
Discipline-Knowledge-Leadership

Congratulations on all you have achieved thus far! We could not be any prouder of you than at this very moment! Nothing worth having comes easy, continue to reach for the stars!!

Love Always,
Mom, Dad & Granny

Noah Naworski

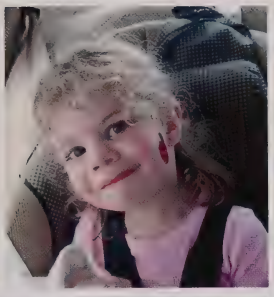
So much hard work and determination have brought you to this point in your life. You invested your heart in this challenge and taken advantage of every opportunity presented. The past four years have had their ups and downs, but you have made your way past all the obstacles that have been thrown in front of you.
You have been lucky enough to have made life-long friendships and had some fun along the way.
Your graduation is a time to celebrate all that you have learned and all that you have experienced during this journey. Acknowledge the past but embrace the future.
You should be proud of your accomplishments and the man that you have become. Our hearts are filled with pride and love for you!
Go confidently in the direction of your dreams and live the life you've imagined!
Love, Mom & Dad

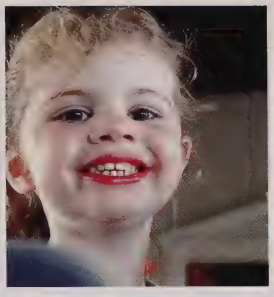


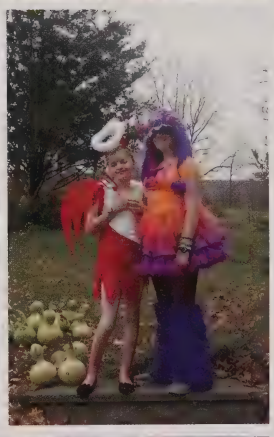
From Orientation, through Cruise, to COVID, and Company Command (and everything in between!)
You've conquered the "Road Less Traveled!"

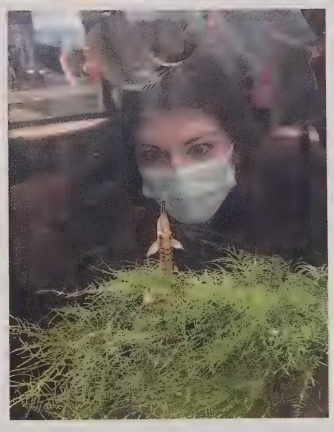
CONGRATULATIONS
3rd COMPANY COMMANDER
JAMES J. DIGNAN

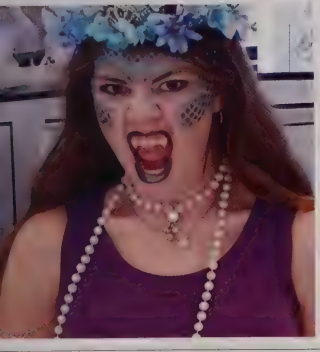
Meghan Reilly











Meghan,
Congratulations!

We are so proud of you and the wonderful young woman you have become.

Love, Mom & Dad

Muster Staff

Thank you to everyone who participated in the making of the 2022 Muster! A special thank you to LCDR Pinero for being the advisor, Joe Malkin for providing great photos for our athletes, and the SGA for the funding to make this happen. Class of 2022 we hope you enjoy this gift so you may remember your time at MMA. Go Bucs!
